

Features

The SCO-2120R from Samsung features the W-V DSP chipset to deliver advanced functionality such as 600TVL resolution, coaxial control compatibility, Samsung Super Dynamic Range (SSDR) and third generation Samsung Super Noise Reduction (SSNRIII), which eliminates image noise in low light conditions without creating motion blur or ghosting.

Complete with a 12x zoom lens, the SCO-2120R benefits from timed resets to enable the zoom function to operate automatically at pre-determined times during the day. This can be set-up effortlessly via the coaxial cable from a compatible DVR.

The SCO-2120R is housed in a full weatherproof casing rated to IP66 with integrated sunshield and supplied with a mounting bracket that allows the camera to be installed either wall, surface or ceiling mount to ensure the required field of view can be obtained every time.

- 12x optical zoom (3.9 ~ 46mm)
- Equipped with high performance Adaptive Illumination IR LEDs
- 70m monitoring range

Dustproof & waterproof integrated camera housing rated to IP66
