

Features

- 1/3_i± Day & Night, IR LED Camera with Built-in Varifocal Lens
- The SIR-60 is an indoor dome camera with an IR illuminator. During daytime operation, the camera produces crisp 580TV lines resolution color images. At night, the camera switches to black and white mode, removes the IR cut filter, and illuminates the scene without any added lighting. This makes it the ideal solution for applications such as night clubs or sleep centers.
- 1/3_i± Super HAD color CCD
- Built-in W-IV, the latest generation of Winner DSP engine
- Built-in high-performance IR LEDs
- Built-in SSNR II, digital 3D Noise Reduction technology
- Day & Night with ICR (Infrared Cutoff Removal)
- High resolution of 580TV lines (Color), 700TV lines (B/W)
- Min. illumination of 0Lux@F1.2 (LED on)
- 0.15Lux@F1.2 (Color)
- 0.0003Lux@F1.2 (Color sens-up)
- Privacy masking with 8 programmable zones
- Easy adjustment with 3-axis camera mount
- HLC (Highlight Compensation)
- Motion detection (4 zones)
- Multi-language OSD
- S/N ratio of 52dB
- Voltage : 12V DC
