

32 Channel Premium DVR with 960fps at half D1 resolution

The SVR-3200 provides 32 channels of high resolution real-time video recording capability at half D1 (704 x 240) resolution. The SVR-3200 allows the user to customize the recording setting to achieve real-time full D1 (704 x 480) resolution on selected channels. The SVR-3200 also comes with network monitoring software which allows the user to have remote access and control of the DVR over the network. The SVR-3200 is the perfect choice for medium to large businesses.
