

Equipe Telcom is a partnership firm established in 1997. We have successfully completed 12 years of business with core products being PBX (Intercom systems, Key Telephone systems, IP PBX) Security & Surveillance (CCTV) Systems, Video Conferencing Systems and Access Control.

We also provide Broadband, Point to Point, Point to Multi Point leased lines and PRI lines.

We have provided satisfactory after sales services to our customers and therefore got multiple orders from various prestigious organizations.

We have been awarded All India best distributor in our category consecutively for three years.
